## Relationship-First Approach

Everyone who joins an Arcare residence will enjoy our unique Relationship-First Approach where nurturing honest, respectful and consistent relationships with our residents is the most important thing that we do.

Central to this are our Dedicated Assignments where each resident has their own support team consistently working with them.

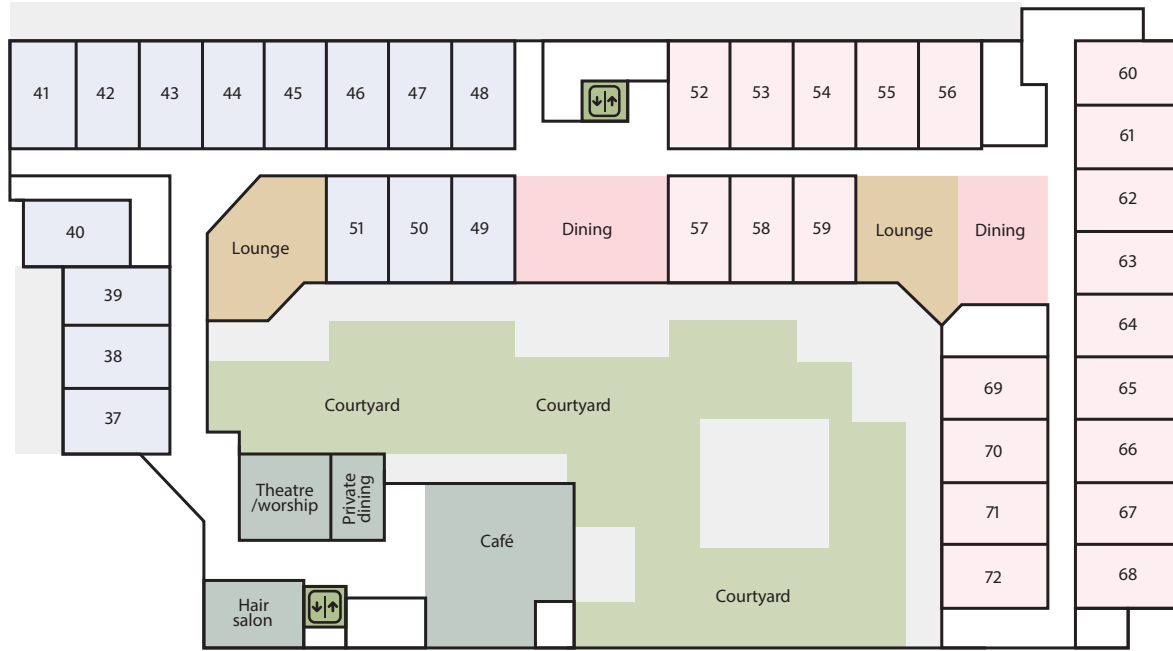

Our commitment to continuity fosters friendships and trust between residents, team members and families.

These friendships are at the heart of our residential communities, where everyone looks out for each other and a sense of security, belonging, continuity, purpose, fulfillment and significance is felt by all.
