

27 August 2021

Dear Arcare Oatlands community,

I have some good news- testing in last 72 hours have concluded with all negative results from clients. Results are pending for team member and agency staff that worked in the last 72 hours.

The next step is to confirm final results before the Public Health Unit can make the decision regarding moving out of lockdown. We expect to receive their decision in the coming days and will update you as soon as we know.

We no doubt all feel a shared sense of relief that we are here. Our strong infection control procedures have seen us through this tough time, but most importantly our sense of community has lifted us up.

Arcare Oatlands will fall in line with current COVID-19 restrictions for Residential Aged Care across the state of NSW.

Our confirmed cases of COVID-19 remains at 1 agency team member.

If you are feeling unwell or have been in close contact with someone who has tested positive to COVID-19, get tested for COVID-19 as soon as possible and self isolate until your result is known.

We thank you again for your ongoing support and hope that you stay safe.

Yours sincerely,

Colin Singh
Chief Executive Officer, Arcare
