Our Higher Everyday Living Services are designed to add more comfort, enjoyment, and choice to your day.

Depending on your residence, you can look forward to an enhanced lifestyle that may include a choice of hot cooked menu options at lunch and dinner, a hot cooked breakfast, and a selection of bottled wine or beer to enjoy with your meal.

At our in-house café you can also enjoy a barista made hot beverage as part of your selected service.

Each Arcare residence offers its own combination of Higher Everyday Living experiences, available as a package or individual options, allowing you to create a tailored experience that suits you.

It's a simple way to make every day feel a little more special, with the extra touches that turn care into true comfort.
